

# *Daft Punk*

Anglais 5°2

***Group members Tomas Bargaltes and Guy Manuel de Homen-Chris met at school in Paris. From there, they decided to form a group. After their success with « Get Lucky » they decided to participate in lots of ceremonies.***

***They had a very particular look, they wore gold or silver helmets like their gloves. There were diamonds on their shoes : it cost more than two million dollars.***

***At « victoires de la musique » (where they were the winners) they refused to remove their helmets causing the disappointment of most of their fans.***

***Since they kept their helmets on  
all the time people couldn't see  
their faces anytime.***

***Since they kept their helmets on  
all the time people couldn't see  
their faces anytime.***

***This way they could get  
a quiet personal life.***

***THE END***
