# ***Where is Saint Patrick's day celebrated ?***

Saint Patrick's day is celebrated in the whole world.

This year on March 17<sup>th</sup>.

In Chicago, the river was painted green (green is the color of Ireland). Also in green Disneyland Paris was. In Egypt too, the Gizeh pyramide was green.

*In green*

# ***Irish people are crazy***

Like every year during Saint Patrick's day, the Irish drank a lot of beer : thirteen million pints of Guinness were drunk during the month of March.

That could fill 60% of the Empire State Building.

The people were dressed up in goblin. They were all dressed in green and with their bearb in orange. Some people have a green hat. They are crazy people.
